Question for Rosie: I wanted to thank the people at Brutinel in Casa Grande. I had them come in February and move my wast disposer from one apartment to another apartment. I wanted some other work done however the first crew didn't seem to want to do the work so I said O-kay. Shortly after that the wast disposer stopped working. Then I was sick most of the summer. I was not able to call Brutinel. Then in September was able to call Brutinel back and they sent a service man "Tim" out right away to fix the disposer. They replaced it at cost and I was very happy about that. Thank you Scott and Tim and Brutinel for the great service.
