Comments: Used Mike P. of Handyman Conn. to replace 45' of weathered fascia and repair a 5' length of a much larger piece of fascia on the carport. My interaction with everyone there was OUTSTANDING and I would have been proud to have Mike (25yrs old?) as a son. He was a craftsman, helpful, charismatic and an all around decent guy! His pricing came in at less than 50% of the quote from [REDACTED]. I have no doubt both are great companies but I will be a return customer of Mike P. and HC in the future. Thanks for the referral!!!
