Question for Rosie: Not a question but I just want to say how helpful and nice Doug from Stucco Renovations of AZ was with a pool and landscape wall that I decided to fix up while I'm going through a pool re-model. Doug was greatly helpful even with this small job. I couldn't be more pleased. He took care of finding me a good mason to install a borgata brick cap on the wall and then he proceeded to do a re-stucco with an acrylic product, and did it in time before my pool contractor had to proceed with the rest of the job! He really went out of his way for such a small project and I can't thank him enough. I'm so glad to have met him through your network. Thanks Rosie!
